

ULTRAGUARD SECURITY DOOR

Ultraguard Security Door combines sophisticated technology, disciplined manufacturing and unmatched quality with an attractive design, giving you the ultimate security, style and peace of mind.

Constructed with a heavyweight extruded aluminium frame, high-strength marine grade 316 stainless steel, a patented retention system, and our unique 3-way locking mechanism, it ensures maximum protection of your property and family.

And naturally, because security is our chief concern, the Ultraguard Security Door has been rigorously tested to ensure it meets all relevant Australian and Industry Standards (AS5039), and it has passed the following tests:

- Dynamic Impact Test
- Lock and Hinge Lever Test
- Knife Shear Test

FEATURES :

- Patented wedge fixing system
- Triple locking mechanism
- 0.8mm marine grade 316 stainless steel mesh
- Mesh count of 11 x 11 strands per inch (25mm)
- Heavyweight extruded aluminium frame
- Heavy-duty corner stakes
- Available in popular standard powder coat colours
- Hinged, sliding doors and grilles available
